

Amendments on Commodity Types for Electronic Cargo Manifest (“EMAN”)

Please be informed that the latest Commodity Types amendments for EMAN will be effective from 1 July 2009. Details of the amendments are listed as below:

1. **Addition of New Commodity Types:**

- i. Ethyl Alcohol > 30%
- ii. Methyl Alcohol

2. **Changes of Commodity Type Description:**

Existing Commodity Type Description	New Commodity Type Description
Smoking Tobacco	Other Manufactured Tobacco

3. **Cancellation of Existing Commodity Types:**

- i. Ethyl Alcohol (pure) > 30% alcoholic strength
- ii. Ethyl Alcohol (mixture) > 30% alcoholic strength
- iii. Methyl Alcohol (pure)
- iv. Methyl Alcohol (mixture)

Tradelink will deliver the “Smart Upgrade Directive” to your Inbox of LogiNet Standard software shortly. Upon receipt of the upgrade directive, the upgrade will be executed automatically once you login the LogiNet Standard software on or after 1 July 2009. For customers using import flat file for EMAN submissions, they can update the system settings whenever necessary.

For details on the Commodity Types Amendments, please refer to the Government Electronic Trading Services (“GETS”) website at
