

TTRS Operations Training Course

According to Trade and Industry Department (“TID”), the Legislative Council has passed the “Import and Export (Fees) (Amendment) Regulation 2007” on 28 March 2007 for the introduction of a new fee structure for Textiles Trader Registration Scheme (“TTRS”). The new TTRS fee structure will be implemented in mid-2007.

There will be a price difference between the paper notification and the electronic notification in the new fee structure to reflect the Government’s policy in promoting the use of electronic commerce. For the textiles notification to be lodged in paper form, the total fee will be **HK\$4.3** for each notification (a new fee of HK\$3.8 will be added on top of the existing fee of HK\$0.5 for each paper form). For the textiles notification to be lodged in electronic form via Tradelink’s electronic TTRS service, the message fee is only **HK\$0.5** for each notification.

In order to support the new TTRS fee structure, Tradelink has prepared a series of TTRS Operations courses with a special tuition fee of **HK\$50** per person to refresh customers the operations of the service.
