

**Changes of Requirement for Completing Notifications under  
Textiles Trader Registration Scheme (TTRS)**

The Textiles Trader Registration Circular No. 4/2007 issued by Trade and Industry Department (“TID”) on 16 May 2007 stated that the new TTRS fee structure will be implemented with effect from 25 June 2007. For full details of the circular, please refer to TID website at: <http://www.tid.gov.hk/english/aboutus/tradecircular/ttrc/2007/ttrc042007.html>

The changes in the requirements for completing textiles notifications will come into effect on 25 June 2007:

- (a) Provision of product HS Code (Harmonized System Code) on all textiles notifications – please refer to the details in paragraphs 22 to 25 of the above circular.
- (b) Streamlined requirement for completion of electronic transshipment notification – Please refer to the details in paragraphs 29 to 32 of the above circular;

The above changes will affect all traders operations in submitting textiles notification. In this respect, Tradelink Electronic Commerce Limited (“Tradelink”) would be dispatching the corresponding ITVS5.1.08 / 5.3.11 upgrade “SMARTUPGRADE DIRECTIVE” in mid of June 2007 to your Inbox:

Please logout and re-login the **ValuNet Deluxe** software, and its corresponding ITVS5.1.08 / 5.3.11 upgrade will be downloaded and executed automatically. The new changes will be effective automatically the first time traders login the **ValuNet Deluxe** software on or after 25 June 2007.

Textiles traders are reminded that it is important to follow Tradelink’s instructions for timely completion of the software upgrade. Otherwise, textiles notifications lodged by the old version of the software will be rejected when the new requirements come into effect on 25 June 2007.

In order to enjoy a substantial saving of HK\$3.8 per notification, please take action to follow the above instruction to upgrade and enroll to our refresher training courses immediately. For details of the training courses, please refer to [www.tradelink-ebiz.com](http://www.tradelink-ebiz.com)
