2. 於「客戶服務」一欄下，選擇「交易狀況查詢」；
3. 選擇「查詢產地來源證 (CO) 交易狀況」或「查詢生產通知書 (PN) 交易狀況」；
4. 輸入「用戶編號」及「密碼」（與「貿易通用戶積分計劃」登入方法相同）；
5. 輸入 UCR 或 UPR 號碼後，按「查詢交易狀況」，有關的申請狀況將會顯示出來。

## New Online Status Checking Feature for CO and PN Applications

To facilitate the daily operations of customers using Certificate of Origin (CO) and Production Notification (PN), Tradelink is pleased to introduce a new feature of checking application status online after the application has been acknowledged.

The new feature allows the relevant parties of the application to check whether the application has been “Approved”, “Deferred”, “Rejected” or “Withdrawn”, etc. by inputting the dedicated reference number (i.e. UCR or UPR number).

Customers can check their application status online by going through these simple steps:

1. Visit our e-Biz web site (<http://www.tradelink-ebiz.com>)
2. Click “Transaction Status Check” under “Customer Service”
3. Click “Check CO Status” or “Check PN status”
4. Enter Login ID and Password (same as that used for Membership Rewards Program Redemption)
5. Enter the unique reference number and press “Check Transaction Status” to display the status result

Customers are advised to check the details of the response messages at their ValuNet Deluxe software.
