Electronic Cargo Manifest ("EMAN") 2008 Amendments

The Census and Statistics Department ("C&SD") announced that the country codes amendments for EMAN in 2008 would take effect from 1 January 2008. Carriers are reminded that submissions on or after 1 January 2008 must be completed in accordance with the amended country code.

To support these changes, Tradelink will deliver the Smart Upgrade Directive to your LogiNet Inbox very soon. You do not have to do anything with the upgrade for the time being. The first time you login LogiNet on or after 1 January 2008, the "Smart Upgrade" will be executed automatically.
