

**NEW ARRANGEMENT ON
CERTIFICATE OF ORIGIN SERVICE AT TRADELINK SERVICE CENTRES**

With effect from 1 January 2009, the Government Approved Certification Organizations (GACOs)* will no longer provide any data entry service for paper Certificate of Origin (CO). Starting from 15 December 2008, Tradelink will operate its own Premium Tradelink Service Centres in the commercial districts in Hong Kong and Kowloon to provide reliable and reputable CO data entry service. Please refer to the table below for the addresses and service hours of the Premium Tradelink Service Centres which provide the CO service.

New arrangements for EDI USERS of the Partial CO service (i.e. either exporter, manufacturer or sub-contractor (if any) make the application via Premium Tradelink Service Centres) at Premium Tradelink Service Centres are as follows:

1. You have to send the corresponding messages (RMD, MI, or MD) to the EDI addresses and Party IDs of the Premium Tradelink Service Centres. The EDI addresses and Party IDs are listed in the following table for your reference.
2. For each of the existing Trading Partner profile, you are required to set up another new corresponding Trading Partner profile. Please be reminded to input the EDI address and Party ID of the relevant Premium Tradelink Service Centre selected in the new Trading Partner profile. On the other hand, you must keep the old Trading Partner profile at least 30 days after the approval of the CO in case amendment or re-submission of the CO (submitted via the GACOs before 1 January 2009) is needed.

Should you have any enquiry, please call our customer service hotline at 2917 8888.
