

2006 TRADELINK SERVICE FEES AND CHARGES

Tradelink is pleased to inform customers the approved fees and charges for Tradelink services effective from 1 January 2006.

We will debit your Tradelink account with the Annual Fee when it becomes payable in early January 2006. Kindly ensure sufficient funds in your bank account to avoid any possible bank charges due to “return of payment”.

In addition, customers will continue to enjoy special offer in transaction charge for Import or Export Declaration Lodgement in 2006 while other major services will have their prices frozen at their 2005 levels.
