

## **Royal Thai Consulate General and Thai Customs Delegation Visited Tradelink**

Led by Mr. Wisudhi Srisuphan, Director-General of Thai Customs and Royal Thai Consulate General in Hong Kong and Guangzhou, the eleven-member Thai delegation visited Tradelink's headquarters on 31 January 2008. The delegates and Tradelink management team had exchanged ideas on electronic commerce and customs development.

During the visit, Mr. Justin Yue, Chief Executive Officer of Tradelink introduced the electronic trade declaration process, the electronic commerce as well as the first electronic logistics platform in the world – Digital Trade and Transportation Network (“DTTN”). In addition, the Thai Customs delegation and Tradelink management team shared the experience in establishing electronic service platform and propelling electronic logistics and customs development.
